

# Ceiling Casing Window 49"

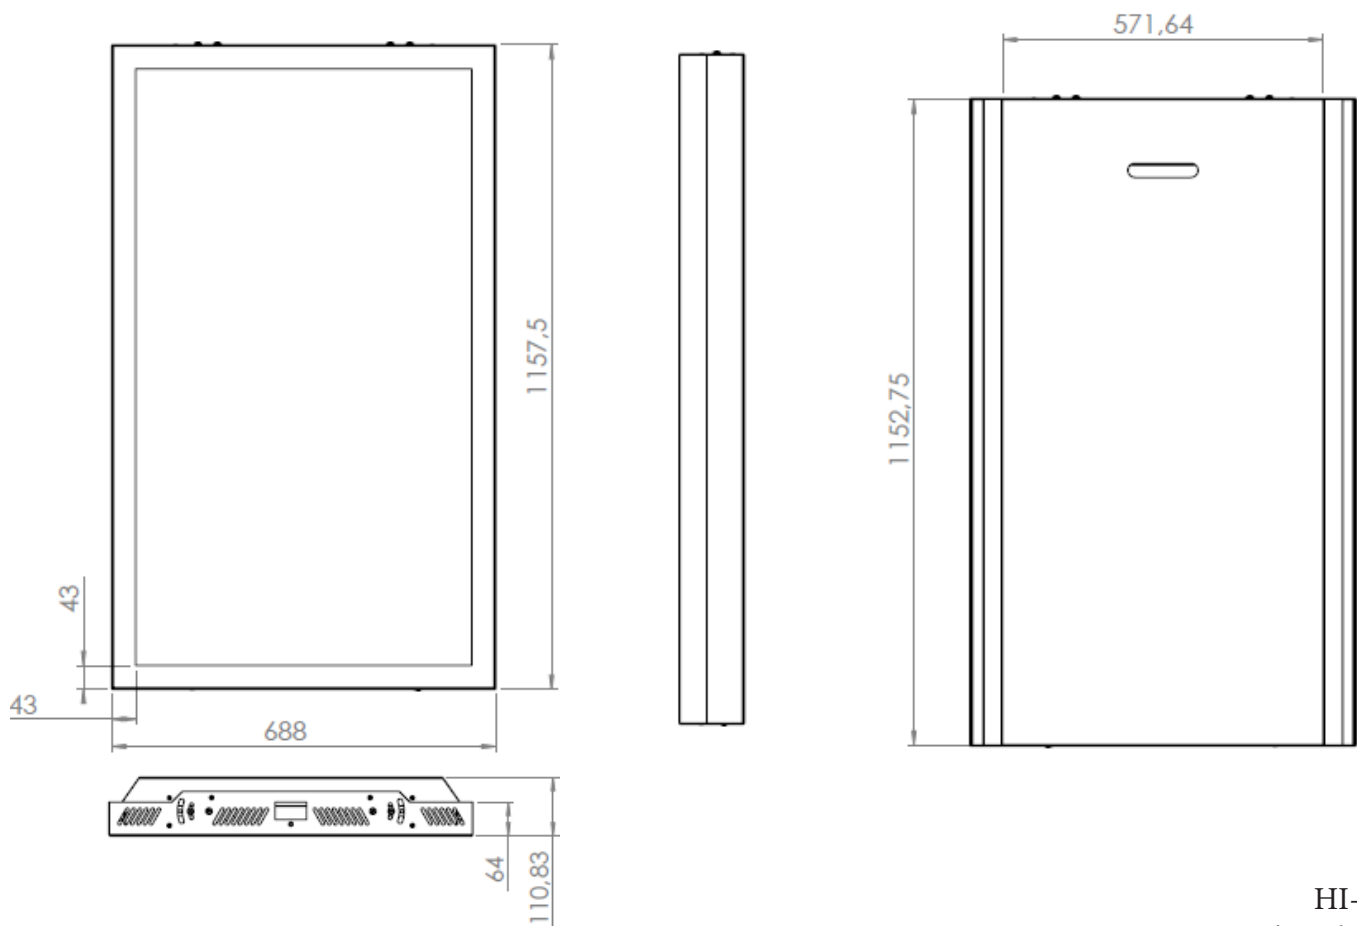

## Light up your store window

HI-ND Ceiling casing designed for LG High brightness monitors in 49" size.

The product is designed to be used with our standard telescope and extension pipe. But it is also prepared to be used with wires. It comes in black and White color as standard and is only available in portrait mode. With only 100 mm width and chamfered edges, the products gives a very thin look. Designed for LG 49XS2D, LG XS2E-B/XS4J-B-serie.
