

VIDEOROW 50" TILT LANDSCAPE

HI-ND Videorow Tilt is a cost effective and easy way of building a menuboard with several screens in a row. The mounting solution makes it easy to place the screens exactly in line and allows edge-to-edge mounting.

The tilt version allows for a tilt up to 15 degrees and allows for most 50" displays.

TECHNICAL DRAWING

SPECIFICATION

FEATURES

- Up to 15 degrees tilt
- Easy mounting
